Forecast for Friday 18 Nov 2022

Weather: Mostly cloudy overnight and early morning with showers or some longer outbreaks of rain. Bright skies developing during the morning with the showers becoming well scattered, occasional sunny spells possible in the afternoon. Mainly dry with clear spells in the evening. Feeling cold at height with summit gales.

Chance of cloud-free hill tops above 700m: 40% rising to 90% by the afternoon.

Low cloud and visibility: Extensive cloud at first, base 600 to 900m, patches to 300m, the cloud lifting and breaking above the summits by late morning or early afternoon. Visibility moderate or poor in early rain, occasionally very poor over the summits, becoming very good or excellent by midday.
